(3) A description of the subjects and issues involved or the substance and terms of the proposed rule;

(4) A statement of the time within which written comments must be submitted; and

(5) A statement of how and to what extent interested persons may participate in the proceedings.

§ 800.35 Participation of interested persons.

(a) Any interested person may participate in rulemaking proceeding by submitting comments in writing containing information, views or arguments.

(b) In its discretion, the agency may invite any interested person to participate in the rulemaking procedures described in this subpart.

§ 800.36 Petitions for extension of time to comment.

A petition for extension of the time to submit comments must be received not later than 10 days before the end of the comment period stated in the notice. The petition must be submitted to: General Counsel, National Transportation Safety Board, 490 L'Enfant Plaza SW., Washington, DC 20594-2003. The filing of the petition does not automatically extend the time for petitioner's comments. Such a petition is granted only if the petitioner shows good cause for the extension, and if the extension is consistent with the public interest. If an extension is granted, it is granted to all persons, and the NTSB will publish a notice of the extension of the comment period in the FEDERAL REGISTER.

§ 800.37 Contents of written comments.

All written comments shall be in English. Unless otherwise specified in a notice requesting comments, comments may not exceed 15 pages in length, but necessary attachments may be appended to the submission without regard to the 15-page limit. Any commenter shall submit as a part of his or her written comments all material he or she considers relevant to any statement of fact made in the comment. Commenters should avoid incorporation by reference. However, if incorporation by reference is necessary, the in-

corporated material shall be identified with respect to document and page. The NTSB may reject comments if they are frivolous, abusive, or repetitious. The NTSB may also reject comments filed electronically if the commenter does not adhere to the electronic filing instructions at the Federal Docket Management System Web site.

§ 800.38 Consideration of comments received.

All timely comments are considered before final action is taken on a rulemaking proposal. Late filed comments may be considered to the extent practicable.

§ 800.39 Additional rulemaking proceedings.

The NTSB may initiate any further rulemaking proceedings it finds necessary or desirable. For example, interested persons may be invited to make oral arguments, to participate in conferences between the Board or a representative of the Board and interested persons at which minutes of the conference are kept, to appear at informal hearings presided over by officials designated by the Board, at which a transcript or minutes are kept, or participate in any other proceeding to assure informed administrative action and to protect the public interest.

§ 800.40 Hearings.

(a) Sections 556 and 557 of title 5, United States Code, do not apply to hearings held under this part. Unless otherwise specified, hearings held under this part are informal, fact-finding proceedings, at which there are no formal pleadings or adverse parties. Any rule issued in a case in which an informal hearing is held is not necessarily based exclusively on the record of the hearing.

(b) The NTSB designates a representative to conduct any hearing held under this part. The General Counsel or a designated member of his or her staff may serve as legal officer at the hearing.

§ 800.41 Adoption of final rules.

Final rules are prepared by representatives of the office concerned
